

You are Cordially Invited to the 4th IEEE CICT 2020

The Conference on Information and Communication Technology (CICT) is the annual flagship conference jointly organized by the five MoE-funded IIITs to provide a forum for researchers, industry professionals, and academicians to present and exchange their ideas in latest technological advancements and innovations in the field.

The 4th edition of this series is being hosted from December 3-5, 2020 by IIITDM Kancheepuram, Chennai, an Institute of National Importance established by the GoI to pursue design and manufacturing oriented engineering education and research. Due to the COVID-19 pandemic, IEEE CICT 2020 is being conducted online. The conference features keynote lectures, Ph.D. symposium, Industry forum and about 85 technical contributions from India and abroad in 12 tracks which have been identified through double blind review process. Join us to explore the new possibilities of Information and Communication Technology.
